INDIAN GYMKHANA

From the President's Desk

Dear Member,

Date: October 10, 2024

As we reach the completion of our term, I'm privileged and honored to present the highlights of what we set out to do and accomplish as a Team. The last 2 years have been an eventful period in terms of enhancements and improvements made to every convenience area and facility in our Club. As the President of the Club, it gives me immense pleasure to see our Club grow from strength to strength and see it at par with some of the best Clubs in the City.

My key focus was to ensure that every Member and their Families are benefited. The improvements and enhancements made have resulted in increased enthusiasm and use of facilities among Members.

Members being of paramount importance, my prime objective was to provide motivation and direction to the team, to strive and work in a Transparent, Honest, and Professional manner in every aspect - including accurate Accounting, managing funds effectively, and adhering to Legality and Compliance.

We brought about the inclusion of Members in Projects to ensure we Leverage Expertise, Skills, and Talent. We looked at a broader and more professional use of related Sub-Committees, especially in Projects to get the best Inputs and help us with commercial negotiations in the best Interest of the Club.

Thanks to your valuable inputs, we have elevated our Club's experience across all areas.

A mention of the overall governance and maintenance needs to be made. An overview of improvements is not complete without the regular maintenance of these facilities. Utmost importance has been given to the upkeep and maintenance of the Club. This would be our regular endeavor and we request the cooperation and support of members to keep the facilities neat, clean and safe.

Lastly, the most important aspect is finance, accounts, and compliance. We were able to fix most of the software issues, add one additional resource, and recover the old GST dues of INR. 25 Lakhs. We have also kept a close track of the Fixed Deposit Interest Rates to maximize the interest earnings to the Club.

The appointment of an Internal Auditor to oversee day-to-day financial activities and other compliance matters has resulted in constant monitoring, process adherence, maintaining detailed and accurate records, timely filing of statutory returns, and preparation of financial books of accounts.

As we look back on these achievements, I'm proud to say that we have the best skill and talent within our Club in every possible professional line, working alongside me and our Team to deliver all aspects of the work done. I'm grateful to the Members who worked in these accomplishments. Every improvement and every success is a testament to the strength of our Community. We have also in this journey built a strong and dedicated Staff team to handle routine tasks, adapt to changes in technology, and be flexible in the roles assigned to them.

It is our endeavor to continuously keep our spirits high to serve our Members and this Prestigious Club.

THANK YOU once again for your patience and for being an integral part of our Club's journey to Excellence.

Warmest Regards

B. Venkateshappa
(President)
